

eBusiness is a newly-developed web portal for our suppliers and customers. Manage your store or your whole chain from a single login. Access a variety of current and future solutions from one portal.

Talk to your Farner-Bocken sales representative or contact our Support Desk at 1(877) 408-2896 or email us at isupport@farner-bocken.com

Use the eStatements button to view open and closed invoices or check your current account status.

Use the eRebates button to manage the entire rebate process.

Use the eReturns button to access the web-based returns center which enables the user to build, seal, submit, and track a "return for credit".

Use the ePricebook button to maintain pricebook, categories, departments, and retails.

Use the eReports button to create reports by item, brand, vendor or whole inventories which can be built from virtually unlimited date ranges.
